

Access College Early (ACE) Scholarship

Qualified high school students taking college coursework while still in high school are eligible to apply for an Access College Early (ACE) Scholarship. The scholarship is funded by the State of Nebraska and is administered by Nebraska's Coordinating Commission for Postsecondary Education (CCPE). Information on the CCPE can be found at <https://ccpe.nebraska.gov/>, and information on the scholarship, including eligibility guidelines, can be found under the Financial Aid section of the CCPE website. **Students are no longer eligible to apply for this scholarship once they graduate from high school.**

Scholarships are awarded on a first-come first-serve basis and may be limited based on available funding. So, students are encouraged to apply early. *For the 2023-24 school year there are no limits to the number of courses that may be awarded to a student.*

The scholarship will pay the tuition and mandatory fees of the course. Any other costs such as matriculation fee, specific course fees, books or other supplies, background checks, etc., will need to be paid by the student.

To apply for the scholarship students should go to <https://ecmp.nebraska.gov/CCPE-ACE/Account/Login>. (If you have received an ACE Scholarship in the past, please go to step 3.)
