003.01 Except as provided under section 003.04, each *for-profit postsecondary institution* authorized to operate in the state shall pay into the *fund* in each *assessment year*, an amount equal to one-tenth of one percent (.001) of the institution's *gross tuition revenue* for the *assessment year* until the *fund* reaches the *minimum fund level*.

003.02 All payments made into the *fund* shall be maintained by the State Treasurer and deposited into the *Guaranty Recovery Cash Fund*.

003.02(A) The assets of the *fund* may not be expended for any purpose except as provided under section 005 of this rule.

003.02(B) The *fund* shall be administered by the Commission.

003.02(C) The fund shall be maintained between the *minimal fund level* and *maximum fund level*.

003.02(D) At any time when the fund drops below the *minimum fund level*, the Commission may resume the *assessment*.

003.02(E) Funds in excess of the *maximum fund level* shall be used as directed by the Commission to provide grants or scholarships for students attending *for-profit postsecondary institutions* in Nebraska as provided under section 006.

003.03 Payment into the *fund* shall be made in the form of a company or cashier's check or money order made payable to the "Coordinating Commission for Postsecondary Education" and received no later than 30 days after the *assessment year*.

003.03(A) The *for-profit postsecondary institution* shall certify on forms provided by the *Commission* that the institution maintains for five years a verifiable set of records which document the reported *gross tuition revenue* collected and shall make such records available to the *Commission* on request. Any such records made available to the *Commission* may be withheld from the public to the extent allowed by Neb. Rev. Stat. § 84-712.05. A copy of the form to be used may be found on the *Commission* website.

003.03(B) At the time of payment of the *assessment*, the *for-profit postsecondary institution* shall submit to the *Commission* documentation supporting the *gross tuition revenue* used in calculating the *assessment* under section 003.01.

003.04 A *for-profit postsecondary institution* applying for an initial *recurrent authorization to operate* from the *Commission* after September 1, 2017, shall not be assessed in its first fiscal year but shall be assessed each year thereafter for four years or until the fund reaches the *minimum fund level*, whichever occurs last.

003.05 A *for-profit postsecondary institution* applying for an initial *recurrent authorization to operate* from the *Commission* after September 1, 2017, may be required to file with the *Commission* a security bond or other surety agreement.

003.05(A) A good and sufficient surety bond in the penal sum of twenty thousand dollars (\$20,000).

003.05(B) Other surety agreements acceptable to the *Commission* include only the following:

003.05(B)(i) Twenty thousand dollar (\$20,000) Escrow account which provides the *Commission* with a recourse against the assets in the account as it would have against an insurance company on a bond. The terms on such an account would be the same as the terms on a bond.

003.05(B)(ii) Twenty thousand dollar (\$20,000) Irrevocable Letter of Credit from a bank, made payable to the State of Nebraska and deposited with the *Commission*. The Irrevocable Letter of Credit will be released to the institution a year after the institution has ceased to be in operation, or immediately when replaced by another instrument with a similar amount.

003.05(C) The bond or agreement shall be executed by the applicant as principal and by a surety company qualified and authorized to do business in the state. The bond or agreement shall be conditioned to provide indemnification to any student or enrollee or his or her parent or guardian determined to have suffered loss or damage by the termination of operations by the *for-profit postsecondary institution*. The surety shall pay any final judgment rendered by any court of this state having jurisdiction upon receipt of written notification of the judgment. Regardless of the number of years that such bond or agreement is in force, the aggregate liability of the surety thereon shall in no event exceed the penal sum of the bond or agreement. The bond or agreement may be continuous.

003.05(D) Until the Guaranty Recovery Cash Fund initially reaches the *minimum fund level*, the bond or other security agreement of an institution shall cover the period of the *recurrent authorization to operate* except when a surety is released as provided under section 003.05(E).

003.05(E) A bond or other security agreement may be released after such surety serves written notice on the *Commission* thirty days prior to the release. Such release shall not discharge or otherwise affect any *claim* previously or subsequently filed by a student or enrollee or his or her parent or guardian provided for under section 004 for the termination of operations by the *for-profit postsecondary institution* during the term for which *tuition* has been paid while the bond or agreement was in force.

003.05(F) During the term of the bond or agreement and upon forfeiture of the bond or agreement, the *Commission* retains a property interest in the surety's guarantee of payment under the bond or agreement which is not affected by the bankruptcy, insolvency, or other financial incapacity of the operator or principal on the bond or agreement.

004. FILING OF CLAIMS. A *claim* may be filed only if it arises out of the *termination of operation* by a *for-profit postsecondary institution* on or after September 1, 2017. Claims by students who ceased to be enrolled in classes which continued to be offered by an institution after the student ceased enrollment are not eligible claims.

004.01 Claims shall be filed with the *Commission* within one (1) year after *termination of operation* of an institution. Claims filed after one (1) year shall not be considered.

004.02 Claims shall be in writing on forms provided by the *Commission* and must be forwarded to the Coordinating Commission for Postsecondary Education. Claim forms to be used may be found on the Commission website.

004.03 Claims shall be accompanied by documents such as receipts, canceled checks, or executed enrollment agreements which verify payment of *tuition* and *fees*.

004.04 Where appropriate documentation is not provided and the availability of documentation is beyond the control of the claimant, the validity of the *claim* may be determined based on the available evidence.

004.05 Following receipt of the *claim* by the Commission, the *Executive Director* or his or her designee(s) may investigate and shall review the *claim* and the *Executive Director* shall make written recommendations regarding the *claim* to the Commission. In arriving at the recommendations, the *Executive Director* or his or her designee(s) may request that a *claimant* submit additional documentation, explanation, and/or meet with the *Executive Director* or his or her designee(s). A copy of the *Executive Director's* written recommendations to the *Commission* shall be mailed to the *claimant* by certified mail with return receipt requested.

004.06 If the *claimant* disagrees with the *Executive Director's* written recommendations, he or she shall have an opportunity to submit written comments and/or documentation with the *Commission* within fifteen (15) days following receipt of the written recommendations. The *Commission* shall consider both the *Executive Director's* written recommendations and the *claimant's* submission in rendering its decision on the disputed claim. The *Commission's* decision shall be final.

004.07 If the claimant declines to seek review of the *Executive Director's* recommendations within the timeframe set out in section 004.06, the *Commission* may act on the recommendations of the *Executive Director* without further notice to the claimant.

005. DISBURSEMENT OF FUND. The purpose of the *fund* is to pay *claims* authorized pursuant to Neb. Rev. Stat. § 85-2426.

005.01 Money in the Guaranty Recovery fund shall be used in the following order of priority:

005.01(A) To reimburse any *student injured by the termination of operations by a for-profit postsecondary institution* on or after September 1, 2017, for the cost of *tuition and fees*;

005.01(B) To reimburse any former student of a *for-profit postsecondary institution* that has terminated operations on or after September 1, 2017, for the cost of obtaining such student's student records;

005.01(C) To reimburse the University of Nebraska for reasonable expenses directly associated with the storage and maintenance of academic records pursuant to Neb. Rev. Stat. §§ 85-173 and 85-174 of those students adversely affected by termination of operations by a *for-profit postsecondary institution*; and

005.01(D) To reimburse the Nebraska Opportunity Grant Fund for any funds distributed to a *for-profit postsecondary institution* for an academic term that was not completed by students receiving awards under the Nebraska Opportunity Grant Act due to the *termination of operations by a for-profit postsecondary institution on or after September 1, 2017*, to the extent such funds are not returned to the Nebraska Opportunity Grant Fund by the *for-profit postsecondary institution*.

005.02 Claims against the *fund* may be paid in whole or in part, based upon the extent to which the *class objectives* were met for each *claimant*, and taking into account considerations including but not limited to:

005.02(A) Amounts available and likely to become available to the *fund* for payment of claims;

005.02(B) Total amount and number of *claims* presented or reasonably likely to be presented in the future;

005.02(C) Total amount and number of *claims* caused by the termination of operation of an institution;

005.02(D) Amounts paid out from the *fund* on *claims* in the past;

005.02(E) Total amount of monies paid to the institution by identified or prospective claimants.

005.02(F) When the institution holds a surety bond, the *claimant* first shall file a claim against the surety bond holder or against the holder of such other security agreement which the institution has filed with the *Commission*.

006. FUND BALANCE IN EXCESS OF MAXIMUM FUND LEVEL. When the *fund* exceeds the *maximum fund level*, funds in excess of the *maximum fund level* shall be used as directed by the *Commission* to provide grants or scholarships for students attending *for-profit postsecondary institutions* in Nebraska.

007. PENALTY. The *authorization to operate* of any *for-profit postsecondary institution* which fails to comply with the provisions of this rule shall be subject to revocation pursuant to Chapter 7 of Title 281 of the Nebraska Administrative Code.

008. ADVERTISING. A *for-profit postsecondary institution* may include references to the Guaranty Recovery Cash Fund in advertising or information provided to students or prospective students. Any such reference shall clearly describe the protection and limitations prescribed in Neb. Rev. Stat. § 85-2426 and sections 004 and 005 of this chapter.
