Note. Counts include full-time and part-time students. Counts do not include nonresident aliens or students of unknown race/ethnicity. The race/ethnicity category 'two or more races' was an optional reporting category for enrollments reported for fall 2008 and fall 2009. Adoption of the category was mandatory beginning with data reported for fall 2010. Degree-granting and non-degree-granting for-profit/career schools include the schools classified in each of these categories as of fall 2015. Data source: National Center for Education Statistics, IPEDS fall 2005 through 2015 surveys.
