Obtaining Your Academic Transcripts

Your school should have provided you an official academic transcript. If you have not received one, you can contact your requisite state agency or send an email request to transcripts@wrightcc.edu. If you transfer to another school to continue your education, you may be asked to provide a copy of these records to your new school. The records also may be useful in substantiating your claim for a closed school loan discharge.

There are certain criteria that make you eligible for a closed school loan discharge, and there are certain steps you need to take to apply for a student loan discharge.

Do You Qualify For A Closed School Loan Discharge?

Student loan borrowers (and parents who borrowed PLUS loans on behalf of students) may be eligible for a 100 percent discharge of your federal student loans borrowed to attend the closed school under either of these circumstances:

- your school closed while you were enrolled, and you did not complete your program because of the closure. If you were on an approved leave of absence from the school for purposes of the Title IV, HEA programs, you are considered to have been enrolled at the school, or
- your school closed within 120 days after the date you withdrew from all classes.

You are not eligible for discharge of your loans if your school closed and any of the following is true:

- You withdrew from all classes on or before December 15, 2015, which is more than 120 days before the date your school closed on April 15, 2016.
- You completed all of your coursework for your program prior to your school closing, even though you have not received a diploma or certificate.
- You are completing a comparable educational program at another school
 - through a teach-out agreement with another school,
 - by transferring academic hours earned at the closed school to another school, or
 - by any other comparable means. If your loan is discharged and you complete a comparable program at another school through any means by which you benefit from the training provided by the **closed** school, you may have to pay back the amount that was discharged.

The Loan Discharge Process

You must contact your loan servicer about the application process for a loan discharge.

- Be sure to continue to make payments on your loan while your discharge application is being processed.
 - If you do not meet the criteria for a loan discharge, you will be informed by your **loan servicer** and will need to continue making payments on your loans based on the terms of your promissory note.
