Career-Readiness and Dual-Credit Education (CRDC) Grant Program

The CRDC Grant Program provides tuition and mandatory fees for those who: are enrolled in graduate course work necessary to meet postsecondary institution requirements to teach dual-enrollment courses at high schools in Nebraska, are taking courses outside of a degree program to become qualified to teach career and technical education courses, are preparing for competency tests to become qualified to teach career and technical education (CTE) courses, or are employed at a college and obtain a postsecondary teaching permit. The main use of the grant is for those who are pursuing the 18-credit hour requirements to teach dual-enrollment courses for high school students.

In total, there were 50 recipients of the CRDC Grant for the 2024-25 grant year. The most common education pathways that will lead to teaching dual-enrollment courses were History and/or Government (13), Spanish (6), English/Literature (4), and Mathematics (3). Below is a table that displays the institutions that had students awarded the grant, how many students at each institution have been awarded, the amount of grant recipients who have confirmed to have completed their requirements to teach dual-enrollment courses, and the total amount that has been disbursed at each institution.

Institutions	Number of Grants Awarded	Number of recipients who have completed the requirements to teach dual-enrollment courses	Total amount of funds disbursed
Chadron State College	1	0	\$1,200.00
University of Nebraska – Lincoln	1	0	\$3,813.25
University of Nebraska at Omaha	30	2	\$77,611.49
University of Nebraska at Kearney	16	1	\$38,843.75
Wayne State College	2	0	\$4,602.00
